Dear Dr. Lederberg:

I have received your letter of November 29, 1983, in regard to my Overview of Artificial Intelligence and Robotics. I am pleased that they can be of use to you, and am forwarding you two sets. Additional sets can be obtained from NTIS, or if you need them quickly we can forward additional copies to you from NASA Headquarters.

Please let me know if I can be of further assistance.

Sincerely,

Thank you for your courtesy!

You may be hearing further from the Army Chief of Staff. I briefed Gen. Thurman yesterday and he and his colleagues were most enthusiastic about pressing further from their quarters.
